MCAT-GMAT

GAPS gives you the knowledge, confidence and the competitive edge you need to succeed on critical exams.

SCORE HIGH

Thousands of bright, otherwise eligible students are unfairly penalized every year for being underprepared, for not knowing critical test-taking skills or for freezing up during the actual exam, thus concealing their true "aptitude." You can overcome these problems if you know what kind of questions to expect, have learned proven test-taking strategies, and have practiced under simulated test conditions.

GAPS puts the proven learning techniques from the classroom into a convenient, study-at-home format.

NOTE: The number of cassettes and pages of text may vary slightly according to current exam content. Remember, these tests are changed frequently... and, unlike other courses, the GAPS program is constantly updated to change with them.

100% MONEY-BACK GUARANTEE

The Graduate Admissions Preparation Service gives you the most risk-free guarantee available. You must be completely satisfied with your GAPS exam preparation course—from its content to its format—or we'll refund your money. Just return the course within 10 days of receipt for a full refund. No questions asked.

Why? Consider this: More students increase their scores after taking a Kaplan prep course than after taking anything else.

Why? Kaplan's test-taking techniques and educational programs have 50 years of experience behind them. We know students. And we know what helps boost their confidence and scoring potential.

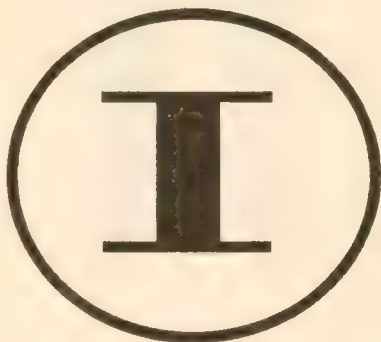

So if you need preparation for the LSAT, GMAT, MCAT, GRE, DAT, ADVANCED MEDICAL BOARDS, TOEFL, NURSING BOARDS, NTE, CPA, INTRO. TO LAW, SPEED READING, or others, call us.

ASK ABOUT THE CAMPUS TRANSPORTATION PLAN

Soon you will be hearing about a University of Illinois Campus Transportation Plan. The purpose of the plan is to make transportation to and through the University, as well as the entire Champaign-Urbana community, as easy as showing a student ID. You will soon be given a chance to give the U of I what it has needed for years - MOBILITY.

For more information, talk to MTD representative members of the SGA Ad Hoc Transportation Committee.

You will be hearing more very soon. **For information - 384-8188.**

ARMY RESERVE OFFICERS' TRAINING CORPS

For a few hours a week, Army ROTC gives Joaquin Martinez a chance to apply classroom theories to the real world.

It's a valuable opportunity to learn how to manage, motivate and lead people. And it provides the kind of experience and responsibility many other graduates will have to wait years for.

Enroll in Army ROTC as you would for any other college elective. Then prepare to be challenged mentally and physically. To build the self-confidence and leadership skills essential to a successful career.

You won't be starting that career at the bottom. You'll have a very impressive set of credentials—both a college degree and an officer's commission in the U.S. Army, Army National Guard or Army Reserve.

If you want to develop skills and confidence you won't get from a textbook, write Army ROTC, Dept. CC P.O. Box 9000, Clifton, New Jersey 07015-9974.

“My other college courses just talk about leadership and management. In Army ROTC, we're doing it.”

OPPORTUNITIES UNLIMITED

In today's Coast Guard, job and career opportunities for men and women between the ages of 17 and 27 are unlimited.

THE ENLISTED OPTION

If you want to learn a skill—many of which are in hi-tech fields—there are over two dozen job specialties available, including electronics, aviation machinist and marine sciences. Saving lives, protecting the environment and stopping illegal drug activities, are only a few of the many Coast Guard missions you may perform. You can advance quickly because promotions are based upon your own initiative and skills.

THE RESERVE OPTION

Even if you're still in high school or college, there are several options to consider. As a Coast Guard Reservist, you can attend drills one weekend per month and be paid while you are being trained. You'll also qualify for the Reserve GI Bill and receive monthly checks to help with college expenses.

THE OFFICER OPTION

To wear the gold bars of an officer, there are several career paths to follow. One is to enter the Coast Guard Academy in New

London, Connecticut. You'll earn a four-year, expense-paid Bachelor of Science degree. Or, if you're a college graduate, you can enter our Officers Candidate School at Yorktown, Virginia. Here you'll complete an intensive 17-week leadership training school. Either path leads to a commission as an Ensign.

BENEFITS OF BELONGING

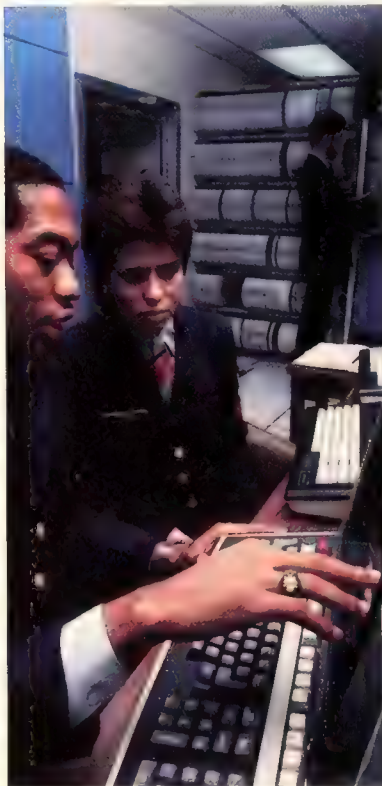

Regardless of the career option you choose in the Coast Guard, you'll get all the benefits . . . 30 days paid leave each year . . . free medical and dental service . . . reduced prices in any military exchange . . . the GI bill for tuition assistance, and much more. You could work in exciting places where the Coast Guard operates . . . from Japan to the Antarctic . . . Hawaii or in the continental United States. We have part-time Reserve positions and full-time career opportunities available now. Contact your local recruiter or call toll-free:

CONTENTS

The *Timetable* provides information about registration, tuition and fee charges, final examinations, and the courses offered (arranged alphabetically by subject) during fall semester 1988.

The *Timetable* also contains the official academic calendar for the 1988 fall semester. Students are advised to refer to this calendar for deadlines for paying registration charges, refund of tuition and fees, election of the credit/no credit grading option, adding or dropping courses, and other important dates occurring during the 1988 fall semester.

A supplement to the *Timetable* will be printed shortly before the fall semester begins. Students and staff using the *Timetable* at the time of on-campus registration are advised to consult the supplement for possible changes. Copies are furnished to advisers and department offices.

The Office of Publications Office of Public Affairs at the University of Illinois at Urbana-Champaign coordinated the compiling of information appearing in the 1988 Fall Semester *Timetable* and contracted for the *Timetable's* publication.

1988 FALL SEMESTER

Registration Instructions

Advance Enrollment

ALL CONTINUING STUDENTS (except part-time nondegree students) have the opportunity to select fall semester courses during ADVANCE ENROLLMENT held from Wednesday, April 13, through Wednesday April 20. Part-time nondegree students may not advance enroll.

NEW AND READMITTED UNDERGRADUATE STUDENTS complete advance enrollment during the summer and are individually notified of their appointments. New and readmitted GRADUATE STUDENTS are notified by their department if they may advance enroll.

Advance enrollment is not mandatory, however, the possibility of obtaining the course schedule desired is enhanced by participation. Students who advance enroll may register-by-mail. Students who do not advance enroll must attend on-campus registration on August 22 and 23, 1988.

Course Selection

During advance enrollment, students request courses and sections in which they wish to enroll for the fall semester, academic departments within the limitations of instructional resources attempt to accommodate student requests. This process begins with each eligible student completing a Program Request Form.

Program Request Forms

The Program Request Form is used to record requests for courses and sections and should be completed in consultation with an adviser, those enrolled in colleges which permit self-advising should submit the form in accordance with instructions from the college

and those given on the back of the form. Correct completion of the Program Request Form is essential for advance enrollment and registration-by-mail.

Students must complete a Program Request Form to advance enroll for the 1988 fall semester, and must use only this *Timetable* and the Program Worksheets included to plan a study program and to keep a record of course requests. Undergraduate and professional students obtain and complete Program Request Forms at their college offices. Graduate students obtain Program Request Forms from their major departmental offices. Information from the Program Worksheet is to be transferred to the Program Request Form.

Although the University attempts to honor student requests for specific courses and sections, advance enrollment scheduling is conducted in a way which will provide the greatest number of acceptable schedules for all advance-enrolled students.

Course requests at advance enrollment and on-campus registration are accepted according to enrollment conditions imposed by the offering departments. Colleges and departments reserve the right to

- Impose enrollment prerequisites
- Reassign students to other sections in a course
- Withdraw students from certain courses or sections after advance enrollment and/or on-campus registration
- Cancel course offerings or sections for legitimate educational reasons (e.g., whenever minimum enrollment standards have not been met)

Conditions for course enrollment and changes may be publicized in the *Timetable*, *Timetable Supplement*, or other media available to the University, and at locations where students request sectioning approval from departmental representatives.

Who May Advance Enroll

- Currently enrolled students in degree programs
- Students newly admitted or readmitted to degree programs.

Who May Not Advance Enroll

- Students graduating in May 1988, unless they are approved to pursue a graduate, professional, or a second baccalaureate degree
- Part-time nondegree students

How to Advance Enroll

CONTINUING PROFESSIONAL AND UNDERGRADUATE STUDENTS go to their college offices between April 13 and April 20 to complete a Program Request Form, unless informed otherwise by their departmental or college offices. Additional information about advance enrollment is available in each college office.

CONTINUING GRADUATE STUDENTS go to their departmental offices to complete a Program Request Form. Graduate students should contact their departmental offices for more information about advance enrollment.

NEW AND READMITTED STUDENTS will be given information describing their initial registration in their Notice of Admission.

Midsemester Study List/Address Collection Form

A combination Midsemester Study List/Address Collection Form will be available to each continuing student in early April. Undergraduate and professional students will receive this form by mail, graduate students obtain the form from their departmental offices.

Courses listed on the Midsemester Study List represent the University's record of course enrollment for the 1988 spring semester. The list should be checked carefully, and errors in either courses or credit should be reported immediately to the student's college office. Course section errors should be reported to the department offering the course.

The Address Collection Form lists the addresses currently recorded for each student. If any of the addresses are incorrect, the student should enter the corrections on the Address Collection Form and return it either in person at Window 27, 100 Henry Administration Building, or by campus or U.S. mail to: Office of Admissions and Records, 10 Henry Administration Building, 506 South Wright Street, Urbana, Illinois 61801.

Registration-by-Mail materials for the 1988 fall semester will be sent (within the United States, Canada, Mexico, Puerto Rico, the Virgin Islands, and Guam) to the permanent home address listed on the Address Collection Form. Undeliverable mail will be available in 138 Henry Administration Building beginning August 8, 1988. Those wishing Registration-by-Mail materials to be sent to an address within the United States different from the listed permanent home address should indicate that address on the Address Collection Form.

Foreign students may give an alternate address to which registration materials may be sent, or they may pick them up beginning August 8, 1988, at the Registration Services Office, Window 27, 100 Henry Administration Building.

Registration-by-Mail

Registration Information Center

A Registration Information Center will be open in 138 Henry Administration Building from 8:00 a.m. to 5:00 p.m. each weekday beginning Monday, August 9, 1988, through Tuesday, August 23, 1988. Questions about registration may be asked either in person at the center or by calling (217) 333-0660 or 333-0661. Signed Registration Agreements may be deposited in this room until 5:00 p.m., August 23, 1988.

Registration-by-Mail Materials

Advance-enrolled students, except those encumbered as of 4:00 p.m. on July 29 for financial reasons or as of 1:00 p.m. on August 2 for other reasons, will be mailed registration materials beginning August 4, 1988. **Those not receiving materials by mail must attend on-campus registration.**

Included in mailed materials will be:

- Individual class schedules for the fall semester
- Individual Registration Agreements with local, permanent home and parent/guardian/spouse addresses

Students must correct any incorrect address information before returning the Registration Agreement. It is necessary to furnish a **complete** mailing address in the area identified as "Local Address" so that the Registration Statement of Charges and Aid can be received promptly.

Students living in private homes, apartments, or rooming houses should be certain their names are on their mailboxes to ensure delivery by the local postal service. Those who do not know their local address should indicate their intention to pick up their Registration Statement of Charges and Aid in person at the Post-Registration Service Center by marking the appropriate space on the Registration Agreement.

Persons who live at the address identified on the Registration Agreement as "Permanent Home Address" **must** furnish that same address in the area identified as "Local Address."

Students must sign and return the Registration Agreement to the Office of Admissions and Records so that it is received by no later than 5:00 p.m., Tuesday, August 23. Return may be accomplished by any one of the following means:

- U.S. mail to the address given on the agreement (allow at least five days for delivery)
- Deposit at the Registration Information Center, 138 Henry Administration Building
- Deposit in the Armory during the on-campus registration period

Students must not use campus drop boxes to return the Registration Agreement. Once the signed Registration Agreement is received, the student is entitled, beginning the first day of classes, to most services and benefits available to fully registered students.

Students who fail to return signed Registration Agreements for receipt by the Office of Admissions and Records by 5:00 p.m., Tuesday, August 23, will have their advance enrollment course schedules cancelled and will be required to participate in late registration.

Advance-Enrolled Students Who Need To Make Schedule Changes

Students who need to make changes in their advance enrollment schedules should sign and return their Registration Agreement and then attend on-campus registration according to the alphabetical

order of registration to make required adjustments. Because many class sections are filled during on-campus registration, students are best served by making changes during that period; in addition, at that time most departments have staff available at a single location to offer advice and assistance.

Students are reminded to bring their preprinted schedules of classes to on-campus registration. Students with questions should call (217) 333-0660 or 333-0661, or visit the Registration Information Center, 138 Henry Administration Building, weekdays between 8:00 a.m. and 5:00 p.m. beginning Monday, August 8, through Tuesday, August 23, 1988.

Advance-Enrolled, Encumbered Students

Students who advance-enrolled but were encumbered by a campus office for failure to discharge some financial responsibility or other obligation may not register by mail. They will receive an advance enrollment schedule with information about the encumbrance and will be required to attend on-campus registration.

Advance-enrolled, encumbered students must go first to Document Distribution Station B in the Armory during on-campus registration to begin the clearance procedure which will permit them to receive, sign, and return a Registration Agreement.

Nonadvance-Enrolled Students

Students who did not advance enroll must complete on-campus registration in the Armory as indicated below.

On-Campus Registration

On-campus registration will be held on Monday, August 22, and Tuesday, August 23, 1988, in the Armory during the hours given in the official Alphabetical Order of Registration.

Who Should Attend On-Campus Registration

- Advance-enrolled students who need to make schedule changes
- Advance-enrolled students who did not receive Registration-by-Mail materials
- Advance-enrolled students who have been encumbered
- Advance-enrolled students who choose not to return their Registration Agreement either by U.S. mail or in person in 138 Henry Administration Building
- Students who did not advance enroll

On-Campus Registration Procedures

For advance-enrolled students making schedule changes:

Students needing either to add or drop courses or to make section changes should return their Registration Agreement by 5:00 p.m., Tuesday, August 23, and also make the necessary changes by attending on-campus registration at their appointed times.

To add or drop a course, or to change credit for a course in which enrolled:

GRADUATE STUDENTS . . .	Go first to their major departmental office to complete a Change of Program Form which is signed by the adviser and then taken to the appropriate clerk in the Course Sectioning Area in the Armory.
COMMERCE, NURSING, VET. MED., LAW, MEDICINE STUDENTS . . .	Go first to their college of enrollment to obtain a Change of Program Form and an adviser's signature; if required, the form is then taken to the appropriate clerk in the Course Sectioning Area in the Armory.
ALL OTHER STUDENTS . . .	Go first to their college adviser in the Course Sectioning Area in the Armory to obtain a Change of Program Form and adviser's signature, if required.

To change a section:

ALL STUDENTS . . .	Go to the appropriate sectioning table in the Armory to obtain a Change of Section Form. No adviser or college approval is necessary.
--------------------	---

STUDENTS MUST COMPLETE AND SUBMIT A SIGNED REGISTRATION AGREEMENT BEFORE LEAVING THE ARMORY

For advance-enrolled, encumbered students:

Encumbered students obtain an Encumbrance Clearance Form at Document Distribution Station B in the Armory. The form contains instructions for removal of the encumbrance(s). Once clearance has been obtained and recorded on the clearance form, it must be exchanged for a Registration Agreement at Station D. **STUDENTS MUST COMPLETE AND SUBMIT A SIGNED REGISTRATION AGREEMENT BEFORE LEAVING THE ARMORY.**

For advance-enrolled students who did not return their Registration Agreements:

Advance-enrolled students who do not either mail their Registration Agreements to the Office of Admissions and Records or deposit them in 138 Henry Administration Building must complete on-campus registration held on August 22 and 23 in the Armory. Students who have lost their Registration Agreement should go to the Armory to obtain a duplicate copy. **STUDENTS MUST COMPLETE AND SUBMIT A SIGNED REGISTRATION AGREEMENT BEFORE LEAVING THE ARMORY.**

For nonadvance-enrolled students:

GRADUATE STUDENTS ... Complete a Program Request Form and obtain other registration materials at their adviser's office on or after August 15, complete course sectioning in the Armory at the time shown in the order of registration.

UNDERGRADUATE AND PROFESSIONAL STUDENTS ... Unless receiving instructions to the contrary, go at the time indicated in the order of registration to their college location (given below) to complete a Program Request Form and to receive a Registration Agreement and instructions about meeting with advisers and completing on-campus registration.

STUDENTS MUST COMPLETE AND SUBMIT A SIGNED REGISTRATION AGREEMENT BEFORE LEAVING THE ARMORY.

For nonadvance-enrolled, encumbered students:

GRADUATE STUDENTS Complete a Program Request Form and obtain their adviser's approval at their major departmental office on or after August 15. Take the form to Document Distribution Station B in the Armory (enter through the south central door) and obtain an Encumbrance Clearance Form. After clearances have been obtained and recorded on the clearance form, exchange it for a Registration Agreement at Station D. Complete course sectioning in the Armory at the time indicated in the order of registration.

UNDERGRADUATE AND PROFESSIONAL STUDENTS ... Proceed to their college location (given below) at the time indicated in the order of registration to obtain a college authorization card. Take the card to Document Distribution Station B in the Armory (enter through the south central door) and exchange it for an Encumbrance Clearance Form. After clearances have been obtained and recorded on the clearance form, exchange it for a Registration Agreement at Station D. Entrance to the Course Sectioning Area is then permitted.

STUDENTS MUST COMPLETE AND SUBMIT A SIGNED REGISTRATION AGREEMENT BEFORE LEAVING THE ARMORY.

On-Campus Course Sectioning

To be admitted to the Course Sectioning Area in the Armory, students must present either an Advance Enrollment Schedule or a Registration Agreement at or after the time indicated in the order of registration. The following transactions can be completed in the sectioning area:

COURSE TRANSACTIONS

FORMS REQUIRED

Advance-enrolled students:

Program Change (add or drop courses or change credit)

Advance Enrollment Schedule

Change of Program Form approved by an adviser (approval is not required for eligible students in colleges that permit self-advising)

Section Change

Advance Enrollment Schedule

Completed Change of Section Form

Nonadvance-enrolled students:

Program Request

On-campus Registration Agreement

Program Request Form approved by an adviser (approval is not required for eligible students in colleges that permit self-advising)

Most course transactions which have been approved by advisers if required, can be completed in the sectioning area by a representative of the department offering the course. If a space is available, the representative will enter the required approval on the Program Request, Change of Program, or Change of Section form.

During on-campus registration, students who submit Program Request, Change of Program, and/or Change of Section forms, but who fail to include complete written information which clearly identifies the course or section in which they wish to enroll, will forfeit the departmental approval to enroll that was obtained by having their names added to the course list. Consequently, such students must compete with all others who wish to add that course/section after instruction begins.

Completion of On-Campus Registration Agreement

Students who did not return a signed Registration Agreement either by mail or in person in 138 Henry Administration Building **must** submit one during on-campus registration in the Armory.

It is necessary to furnish a **complete** mailing address in the area identified as "Local Address" on the Registration Agreement so that the Registration Statement of Charges and Aid can be received promptly. Students living in private homes, apartments, or rooming houses should be certain their names are on their mailboxes to ensure delivery by the local postal service. Those who do not know their local address should indicate their intention to pick up their Registration Statement of Charges and Aid in person at the Post-Registration Service Center by marking the appropriate space on the Registration Agreement.

Persons who are living at the address identified as "Permanent Home Address" must furnish that same address in the area identified as "Local Address." Students should turn in their Registration Agreement and other completed forms before leaving the Armory

Registration Agreements must be signed. The student's signature constitutes an agreement to pay all registration charges (or the first installment amount) by the due date shown on the agreement Receipt of the signed agreement by the University before 5:00 p.m. Tuesday, August 23, enrolls the student in the courses listed on either the advance enrollment schedule or the completed and approved on-campus Program Request Form (subject to the policy on course enrollment given elsewhere in this *Timetable*). Although no registration is complete until tuition and fee charges have been paid, most services and benefits are available to fully registered students beginning the first day of classes

Other Activities at On-Campus Registration

Stations are available in the Armory for students to

- Make encumbrance payments and clear most encumbrances
- Change insurance coverage
- Purchase dependent insurance coverage
- Obtain new or replacement ID cards
- Suppress the release of directory information
- Obtain information about tuition, fees, and financial aid

The following activities will be supported in the Post-Registration Service Center, Illini Union, Second Floor South

- Answers to questions concerning fee assessment and graduate or fellowship appointments
- Answers to questions concerning financial aid
- Answers to questions concerning residency status *
- Collection of cash payments for tuition and fee charges
- Suppressing the release of directory information (first five days only) *
- Requests for Registration Statement of Charges and Aid replacement
- Adjustment of incorrect Registration Statements of Charges and Aid
- Will-call Registration Statements of Charges and Aid pick up
- ID card replacement *
- Health insurance exemption and dependent coverage
- Late registration, except course transactions which are processed in college and department offices *

*These services will be the only ones available on Thursday, August 26, Friday, August 26

Late Registration

Late registration will be conducted in the Post-Registration Service Center, Illini Union, Second Floor South, from Thursday, August 25, until 12:00 noon on Friday, September 9. Late registration will resume at 9:00 a.m. on September 12 at Window 25, 100 Henry Administration Building. Late registration will not be conducted on the afternoon of September 9. TO BEGIN LATE REGISTRATION, STUDENTS SHOULD GO FIRST TO ONE OF THE LOCATIONS BELOW FOR REGISTRATION MATERIALS

Location of Late Registration Materials

- Nonadvance-enrolled undergraduate and professional students: office of the college of enrollment
- Advance-enrolled undergraduate and professional students: Post-Registration Service Center until 12:00 noon on September 9; beginning September 12, Window 25, 100 Henry Administration Building
- All graduate students: office of the department of enrollment

Students who do not return a Registration Agreement by 5:00 p.m., Tuesday, August 23, will have courses reserved at either advance enrollment or on-campus registration cancelled. If they subsequently complete registration, they will be assessed a late registration fine which may be waived upon petition in exceptional circumstances, such as serious illness or death in the immediate family activities during the registration period which benefit the student's academic program, or circumstances beyond the student's control. The petition form is available at the Post-Registration Service Center, Illini Union Building, Second Floor South, and, beginning September 12, at Window 25, 100 Henry Administration Building

Undergraduate students may register after the fifth day of instruction (August 31) only with the written consent of their college dean.

Registration of Nondegree, Part-time Students

Undergraduate part-time, nondegree students must complete registration on August 30 and 31. Graduate and professional part-time, nondegree students must register between August 30 and September 9 (12:00 noon). Part-time, nondegree students who register on these dates will not be charged the late registration fine (Full-time nondegree students are accorded regular registration and advance enrollment privileges.)

Undergraduate and professional nondegree students go to their college offices to obtain registration materials. Graduate nondegree students obtain registration materials from their advisers in the major department of enrollment and bring them to B-3 North Coble Hall for approval. All students must then bring their registration forms to the Post-Registration Service Center to complete the registration process.

Nonacademic employees of the University, in addition to being eligible to register, require the written approval of the director of the Urbana-Champaign Personnel Services Office to enroll in courses. For further information telephone 333-2142.

Listeners or Visitors: Auditing a Course

A "visitor" is only a listener in the classes attended and is not a participant in any part of the exercises. Visitors are not permitted in laboratory, military, physical education (other than theory), or studio classes. Students on "dropped" status are not eligible to visit classes.

Permission for enrolled students to attend a class as listeners or visitors is granted only by the instructor of the class and with the approval of the dean of the student's college. Written approval must be obtained on an official Visitor's Permit available at college offices. Former students not currently registered must obtain the approval of the dean of the college in which they were last registered. Persons not previously registered obtain the approval of the dean of the college in which the course is offered. Nonacademic employees of the University also must secure the recommendation of the head of the department in which they work and approval of the director of the Urbana-Champaign Personnel Services Office.

Registered students on a full fee schedule (Range I) and those holding scholarships, tuition waivers, or staff appointments that exempt them from tuition are not charged a fee for visiting classes.

Persons with scholarships that are specifically limited by law to courses for residence credit only are charged a \$15 fee for each course attended as a visitor.

Persons who are not registered in University courses and students registered on campus on a partial program fee schedule (Ranges II, III, or IV) are charged a fee of \$15 for each course attended on campus as a visitor only.

The visitor's fee is waived for persons sixty-five years of age or older. Proof of age must be presented at the Registration Services Office, Window 25, 100 Henry Administration Building.

Persons registered as visitors who desire to withdraw receive a full refund of the visitor's fee, if originally charged, provided they make a personal request for a refund at Window 27, 100 Henry Administration Building, during the first ten days of instruction. **Refund deadline for the 1988 fall semester is 4:00 p.m., Friday, September 9.**¹ Thereafter, no refund is made.

Tuition and Fee Assessments

Tuition and fee charges for the 1988 fall semester were not available when this *Timetable* was published. The tuition and fees given in the schedule on page 9 were for the 1988 spring semester and may be used for planning purposes. Students

¹In cases of extenuating circumstances, such as medically documented serious illness or injury, exceptions to these refund periods may be made by the director of admissions and records, acting on a petition submitted by the director of admissions and records, acting on a petition submitted by the student. Petition forms are available at Window 27, 100 Henry Administration Building.

should be aware that tuition and fee charges may increase.

Tuition

Students are assessed tuition on the basis of their college of enrollment (undergraduate, graduate, professional); residence classification (Illinois or nonIllinois resident); and credit range, which is determined by the number of semester hours and/or graduate units for which a student is registered. (Credit for undergraduate course work is counted in semester hours; credit for graduate work is counted in units. For tuition and fee assessment purposes, one graduate unit is the equivalent of four semester hours.) There is a tuition differential between lower- and upper-division undergraduate students. Undergraduate nondegree students are assessed at the upper-division rate. Information for students in Study Abroad programs, Executive MBA, and other special cost programs is available at Window 25, 100 Henry Administration Building, (217) 333-0210.

The residency classification of students for admission and tuition assessment purposes is determined on the basis of the information given on the admission application and other credentials. Students who desire to change their assigned residency status must submit a petition. The residency regulations and the petition form are available at Window 25, 100 Henry Administration Building. The petition for a change in residency classification for any academic term must be submitted within twenty days after registration or the first day of instruction, whichever is later, or the student loses all rights to a change in status and/or adjustment of the tuition assessed for that term.

Students enrolled in the Veterinary Medicine Professional Program are assessed a single tuition rate for each of the four years of the professional curriculum; tuition is not prorated over the traditional four ranges since the professional curriculum requires a full course of study each term.

Tuition rates are set by the University Board of Trustees. Information regarding waivers is given in another section of this *Timetable*. Students with questions about tuition should call (217) 333-0210 for clarification.

Fees

Fees are assessed on the basis of the number of semester credit hours or graduate units for which a student is registered. For fee assessment purposes, there is no distinction between resident and nonresident, graduate or undergraduate. Fee rates are determined by the University Board of Trustees; waivers and exemptions are explained in another section of this *Timetable*. Students with questions should call (217) 333-0210 for clarification.

Following are brief descriptions of the fees assessed for the fall semester.

Service Fee

A fee to support salaries, programming, general expenses, and utilities for campus Auxiliary Service units such as the Illini Union, the Assembly Hall, and Campus Recreation.

Health Service Fee

A fee to provide salaries, programming, general expenses, and utilities for McKinley Health Center and the Counseling Center.

Health Insurance Fee

This fee covers the cost of premiums to the insurance carrier and the cost of administering the program.

Computer Access and Support Fee

The purpose of this fee is to help the expansion and maintenance of campus computer access sites and to develop and staff student computer support programs.

General Fee

This fee is an assessment to support certain fixed costs of fee-supported buildings (IMPE, Ice Arena, Assembly Hall, Illini Union, etc.) on campus.

Student Organization Resource Fee (S.O.R.F.)

Students registered on campus pay a refundable fee during each registration to support the Student Legal Service and to help fund programs and/or services of registered organizations. Those desiring refunds may obtain them in 100 Henry Administration Building beginning Monday, September 26, through Friday, October 7, 1988

Students for Equal Access to Learning (SEAL Fund)

Students registered on campus pay a refundable fee each semester to supplement existing financial aid for needy students. Refunds for those desiring them will be available in 100 Henry Administration Building beginning Monday, October 10, through Friday, October 21, 1988

Student Government Association Fee (SGA)

All registered students are assessed a nonrefundable fee each semester to support the activities of the Student Government Association

Graduation Fee

A \$15 graduation fee is assessed separately during the term in which a student becomes a degree candidate. Proceeds from this fee are used to defray partially the costs of commencement and recognition of student achievements. The graduation fee does not appear on the Registration Statement of Charges and Aid; it does appear on the Student Accounts Receivable Statement. No waivers or exemptions are authorized for this fee

Student Health Insurance Program

All students are assessed an insurance fee to cover the cost of the University Student Comprehensive Health Insurance Program. This fee may be waived if the student presents evidence of equivalent insurance coverage and completes a petition for exemption from the insurance fee. **EXEMPTION MUST BE REQUESTED IN PERSON.**

Evidence of equivalent insurance may be established by the student's insurance policy or an identification card with a brochure to outline the benefits of the program. Military personnel and their dependents need only show their military identification cards. Letters from employers, insurance companies, or agents will be accepted provided they are on company letterhead and are signed by a company official giving the name of the insurance company and defining the scope of the insurance coverage of the student.

To qualify for the exemption, a student must present satisfactory evidence of insurance and must complete an exemption petition at one of the following locations:

- Insurance Station at the Armory during on-campus registration
- Insurance Station at the Post-Registration Service Center, Illini Union, Second Floor South
- Student Insurance Office, Room 228, 505 East Green Street, Champaign, following the post-registration period

Items mailed to the Student Insurance Office or included in payments made by mail will be returned to the sender without action. Such items **MUST** be resubmitted by the student **IN PERSON** within the stated deadline.

Requests for exemption MUST be made IN PERSON by 4:00 p.m. on Friday, September 9, 1988. Once waived, the exemption will be continuous, and it is the student's responsibility to request reinstatement in the Student Health Insurance Program. Reinstatement may be requested at any time, but is subject to approval of the student's statement of medical history. Telephone (217) 333-0165 for information about insurance.

Married students may purchase insurance for spouses and/or children by making application and paying an additional premium in person at one of the insurance locations given above. A brochure explaining the insurance benefits and possible coverage during terms in which students are not enrolled is available from the Student Insurance Office.

Tuition and Fees Billing

Billing and payment of tuition and fees, housing, and other registration charges occur after on-campus registration. Students who return a signed Registration Agreement and clear all encumbrances by 5:00 p.m. on August 23, are in good academic standing, and provide the University with a correct local mailing address on their Registration Agreement will be mailed a Registration Statement of Charges and Aid on or about August 27. Students who do not receive a statement by September 2 must go to the Post-Registration Service Center to request a duplicate copy. **IT IS THE STUDENT'S RESPONSIBILITY AND OBLIGATION TO OBTAIN A STATEMENT AND TO PAY THE REGISTRATION CHARGES INDICATED BY THE DUE DATE WHETHER OR NOT A STATEMENT WAS RECEIVED AT THE LOCAL ADDRESS.**

The Registration Statement of Charges and Aid itemizes all registration charges, financial aid administered by the University, financial aid from external agencies (ISSC, VA, etc.), and any cash aid for which the student is eligible. The installment payment plan, with due dates and finance charges, is explained elsewhere in this *Timetable*.

Students with statements showing cash aid in excess of charges should bring the statement to the Post-Registration Service Center for a check. Checks for students with Registration Statements dated August 23 will be available on or about September 2. Checks for students whose statements are dated September 2 will be available on September 9.

A personalized ID card validation label is included on each statement. This label is nontransferable and must be placed on the back of the student's ID card.

The Post-Registration Service Center is located in the Illini Union, Second Floor South.

Payment Deadlines for Tuition, Fees, and Other Charges

Tuition, fees, and other charges must be paid in full or by installment as indicated.

Payment due by	Registration Date
Friday, September 9, 12:00 noon	For students who register-by-mail or who complete on-campus registration on August 22 and 23. Registration Statements of Charges and Aid will be mailed to the local address given on the Registration Agreement.
(Use campus drop boxes U.S. Mail or pay in person at the Post-Registration Service Center.)	
Friday, September 9, 12:00 noon	For students who register at the Post-Registration Service Center by 4:00 p.m. on Friday, September 2. Registration Statements of Charges and Aid are not mailed. They must be picked up at the Post-Registration Service Center by 12:00 noon on Friday, September 9.
(Use campus drop boxes U.S. mail or pay in person at the Post-Registration Service Center.)	
Monday, September 12, 4:00 p.m.	For students who late-register from September 6 through September 9 (12:00 noon). Registration Statements of Charges and Aid must be picked up at Window 25 or 26, 100 Henry Administration Building on September 12 and payment made in full or by installment on the same day.
(Payment must be made at a cashier window, 100 Henry Administration Building.)	
Monday, September 12, or the day of late-registration, 4:00 p.m.	For students who late-register on September 12 or later. Payment of charges in full or by installment must be made the same day that students late register.
(Payment must be made at a cashier window, 100 Henry Administration Building.)	

The Post-Registration Service Center is located in the Illini Union, Second Floor South.

WARNING

Students who registered by 4:00 p.m. on September 2, but who have not made full or first installment payment by 12:00 noon on September 9, 1988, will not have completed registration. They will be allowed to remain in class and complete registration during the next fourteen calendar days by paying an additional \$25 for failure to complete registration on time.

Students who still have not completed their registration by 4:00 p.m. on September 23, 1988, will be dropped from classes and will not receive credit for the semester.

Students who return their Registration Agreement but fail to make full or first installment payment by 4:00 p.m., September 23, 1988, must pay a nonrefundable charge for the semester amounting to one-half of the service fee plus the entire insurance and health service fees (rounded if necessary to the next higher even dollar) or \$30, whichever is greater. In most cases, payment of this charge entitles students to insurance coverage, use of the McKinley Health Center, and use of intramural-physical education facilities for the semester.

Payment Options

Students may pay tuition and fee charges in full or by installment as explained elsewhere and on the Statement of Charges and Aid. The due dates for payments by both options are shown on the statement.

Payments by check or money order may be made by depositing them in special drop boxes (**not** Campus Mail boxes) at the following locations until 12:00 noon on Friday, September 9, 1988. Drop boxes may not be used to return Registration Agreements.

- Illinois Street Residence Halls—Illinois Street entrance.
- Florida Avenue Residence Halls—main entrance to Trelease Hall
- Gregory Drive Snack Bar—south entrance
- Allen Hall—next to the mailboxes
- Henry Administration Building—east or west entrance
- Main Library—central corridor
- Illini Union—southwest entrance

Students who must make payment in cash should do so at the Post-Registration Service Center in the Illini Union, Second Floor South

Payments may be made by U.S. mail provided they are received by no later than 12:00 noon on Friday, September 9; students should allow five days for delivery time when remitting payment by U.S. mail

Installment Plan for Paying Tuition, Fees, and Housing Charges

An installment plan for paying tuition and fees, single student residence hall charges, and flight instruction fees is available to students enrolled on campus. The installment plan does not apply to registration in extramural, correspondence, and intersession courses, or to students to whom this privilege has been denied.

Charges for each semester are collected in three installments, the first payable by the due date shown on the Registration Statement of Charges and Aid and the remaining installments payable in each of the two following months

Students electing the installment plan are assessed a finance charge of one percent of the amount deferred or a minimum charge of \$2, whichever is greater (subject to change without notice)

Students who pay their registration charges on the installment basis and later withdraw from the University or reduce their registration to a lower credit range after the established refund deadline date for an academic term are liable for the full amount of tuition and fees assessed.¹

An installment payment of charges is delinquent on the first day of the month following the date that payment is due

Students in Debt to the University

Students who are in debt to the University at the end of any term may not be permitted to register in the University again. They are not entitled to receive either a diploma or an official transcript of credits until either the indebtedness has been paid or suitable arrangements for payment have been made, unless the student either has a bankruptcy petition pending seeking a discharge of all such indebtedness, or all such indebtedness has been discharged.

Delinquent Student Accounts

A delinquent service charge of one percent per month or a minimum monthly charge of \$1 (subject to change without notice), whichever is greater, is added to delinquent student accounts. The delinquent service charge is applied to all items charged to the student account and for which payment is delinquent

Returned Checks

A penalty of \$10 (subject to change without notice) is assessed students for each check they present to the University which is returned to the Office of Business Affairs for insufficient funds or other reasons. Additional penalties, including dismissal from the University, may be imposed on students who permit their University accounts to become delinquent or who issue checks which are returned to the University unpaid. In most cases, the student who endorses a two-party check is the person who is liable for any penalties which are charged if that check is returned

Refunds

Cancellation of Registration

Failure to return a signed Registration Agreement by 5:00 p.m., August 23, cancels a student's advance enrollment and obligation to pay tuition and fees for the fall semester

Students who sign and return a Registration Agreement and later decide not to attend the University may cancel the agreement up

to 5:00 p.m. on the first day of classes, August 25.

To cancel a Registration Agreement prior to the beginning of an academic term, students must submit a request for cancellation to the Office of Admissions and Records. The request may be made by mail addressed to the Office of Admissions and Records, 10 Henry Administration Building, 506 South Wright Street, Urbana, Illinois 61801, requests by mail must be received in the Office of Admissions and Records by no later than 5:00 p.m. on the last day of on-campus registration, August 23, 1988. Or students may bring the request to the Registration Services Office, Window 27, 100 Henry Administration Building, by no later than 4:00 p.m. on August 23, 1988. If either of these options is satisfied, the student's Registration Agreement will be cancelled, and the student will not be charged tuition and fees

Students who have neither attended any classes nor received any related student services may cancel their Registration Agreement by depositing a completed clearance paper obtained in the office of the dean of their college at the Registration Services Office, Window 27, 100 Henry Administration Building, by no later than 4:00 p.m. on the first day of classes (August 25, 1988). To be relieved of the obligation to pay tuition and fees, students who cancel their Registration Agreement must surrender their permanent ID card and/or the individualized validation label which will accompany their Registration Statement of Charges and Aid. These items must be returned immediately upon receipt of the statement to the Registration Services Office, Window 25, 100 Henry Administration Building, or by mail addressed to the Office of Admissions and Records, Registration Services Office, 10 Henry Administration Building, 506 South Wright Street, Urbana, Illinois 61801.

Once students have attended a class or have used campus services, they may not cancel their Registration Agreement. If they leave the University, they must officially withdraw.

Students who return their Registration Agreement but fail to make full or first installment payment by 4:00 p.m. on September 23 must pay a nonrefundable charge amounting to one-half of the service fee plus the entire insurance and health service fees (rounded, if necessary, to the next higher even dollar), or \$30, whichever is greater

Students who failed to complete registration for the 1988 fall semester by 4:00 p.m., September 23, 1988, and who seek reinstatement by payment of all tuition, fees, and penalties, and other persons seeking retroactive registration are cautioned that such transactions will not be permitted from January 3 through January 31, 1989. These students will be required to register late for the 1989 spring semester and will be subject to the late registration fine.

Withdrawal from the University

Students who withdraw from the University during the first ten days of instruction in a semester are assessed a nonrefundable charge amounting to one-half of the service fee plus the health insurance fee and the health service fee (rounded if necessary to the next higher even dollar), or \$30, whichever is greater. Students who withdraw continue to be covered by health insurance and are eligible to receive health services if fees for insurance and health services were paid, until the first day of on-campus registration for the next term. Use of intramural-physical education facilities is also permitted. Students who have been exempted from the payment of these fees will have the nonrefundable charge reduced by the amount of the appropriate fee(s)

Students must follow established withdrawal procedures beginning with completion of a clearance form available in the office of the dean of their college. To obtain a refund, students must deposit the completed withdrawal clearance form at the Registration Services Office, Window 27, 100 Henry Administration Building, by no later than 4:00 p.m. on Friday, September 9, 1988. Thereafter, no refund is allowed.¹ Students who have been permitted to pay tuition and fee charges on an installment basis and who later withdraw from the University after the established refund deadline date are liable for the full amount of tuition and fees assessed. Special refunds are authorized to students who withdraw to enter active duty in the armed forces or other approved national defense service

¹In cases of extenuating circumstances, such as medically documented serious illness or injury, exceptions to these refund periods may be made by the director of admissions and records, acting on a petition submitted by the student. Petition forms are available at Window 27, 100 Henry Administration Building

Reduction of Program

Students who reduce their registration to a lower fee assessment range receive a refund of the full amount of the difference in tuition and fees specified for such schedules, provided the change is made by 5:00 p.m. on Friday, September 9, 1988. Thereafter, no refund is allowed.¹

Incomplete Registration

A Registration Statement of Charges and Aid will be mailed on or about August 27 to students who submitted a signed Registration Agreement by the close of on-campus registration. A student's registration is not complete until the Office of Business Affairs has received the Registration Statement with the appropriate payment by the due date indicated on that statement.

Students who return a signed Registration Agreement but do not return the Registration Statement of Charges and Aid with the appropriate payment by 12:00 noon on Friday, September 9, 1988, will not have completed registration. They will be allowed to remain in class and complete registration during the next fourteen calendar days if they pay an additional late-payment charge of \$25 for failure to complete their registration by the due date. **At the end of the fourteen-day extension period—4:00 p.m. on Friday, September 23—students who still have not completed their registration will be dropped from class.**

Flight Training Fee

A student who withdraws from a flight-training course during the first ten days of instruction in a semester receives a refund of the flight-training fee. **Refund deadline for the fall semester is 4:00 p.m. on Friday, September 9, 1988.** Thereafter, no refund is made.¹

Tuition and Fee Waivers and Exemptions

Appearing below are some of the generally applicable tuition and fee waivers; a full description of all tuition and fee charges with authorized exemptions and waivers is available from the Registration Services Office, Window 25, 100 Henry Administration Building. Tuition and fee waivers are not granted for the Executive M.B.A. Program or other full-cost programs. Students are urged to consult the staff at the Registration Services Office if they feel they qualify for any of these waivers.

Tuition

Tuition is waived for

1. All faculty and academic professional employees (excluding graduate assistants) of the University on appointment for at least 25 percent of full-time service, provided the appointments require service for not less than three-fourths of a term. This waiver also applies to staff members of certain specifically identified related agencies whose positions are considered equivalent to academic positions of the University. A term is defined as running from the first day of registration through the last day of final examinations. Three-fourths of a term is defined as ninety-one days in a semester. Students who resign their staff appointments, or whose appointments are cancelled before rendering service for at least three-fourths of the term, become subject to the full amount of the appropriate tuition and fees for that term unless they withdraw from University classes at the same time or before the appointment becomes void, or they file a clearance form for graduation within one week following the resignation date.
2. Graduate teaching and research assistants of the University on appointment for at least 25 percent but not more than 67 percent of full-time service, if approved for a waiver by their sponsoring

In cases of extenuating circumstances, such as medically documented serious illness or injury, exceptions to these refund periods may be made by the director of admissions and records, acting on a petition submitted by the student. Petition forms are available at Window 27, 100 Henry Administration Building.

unit and no tuition and fees payments are billable from an outside agency. Their appointments must require service for not less than three-fourths of the term (as defined in item 1 above). Those on appointment for 68 percent or more of full-time service pay tuition at the in-state rate and are eligible for a waiver of the service fee only. Caution: Assistantship appointments are cumulative. For example, if a person holds two appointments, a 25-percent and a 50-percent assistantship appointment, he or she is ineligible for a tuition waiver.

3. Academic staff members emeriti
 4. Holders of tuition waiver scholarships
 5. Holders of graduate tuition and fee waivers awarded by the Graduate College
 6. Holders of grants or contracts from outside sponsors that provide payments to cover the total cost of instruction.
 7. Cooperating teachers and administrators who receive an assignment of practice teachers, who receive assignment of students meeting the clinical experience requirement in teacher education curricula, or who cooperate in research projects related to teacher education, are exempted for one semester, quarter, or summer session for each semester, quarter, or equivalent service rendered within two consecutive semesters. The exemption shall apply to the semester, quarter, or summer session of registration, as designated by the student, which is concurrent with, or following, the term of service, but must be applied no later than one calendar year from the end of the term of service. Concurrent registration on more than one campus of the University or in University extramural courses constitutes one semester, quarter, or session of eligibility for exemption. A similar waiver is authorized for cooperating librarians, school-nurse teachers, social welfare field supervisors, recreation field supervisors, health-education field supervisors, speech pathology supervisors, developmental child care field supervisors, educational psychology supervisors, continuing education supervisors, industrial relations field supervisors, and physicians who participate without salary in the instructional program of the University of Illinois College of Medicine at Urbana-Champaign.
 8. Nonacademic employees of the University, of other institutions and agencies under the University Civil Service System, and of certain specifically identified related agencies in status appointments or in appointments designed to qualify for status in an established class (e.g., trainee, intern) for at least 50 percent of full-time services who register in regular University courses not to exceed:
 - Six credit hours or two courses in a semester or quarter if on full-time appointment,
 - Four credit hours if on a 75-percent to 99-percent time appointment, or
 - Three credit hours if on a 50 percent to 74-percent time appointment, provided that they (1) meet conditions and eligibility for admission as prescribed by the Office of Admissions and Records, (2) are not students as defined in Civil Service Rule 7.7c, and (3) have the approval of their employing departments for enrollment and a makeup schedule to cover any time in course attendance during their regular work schedule.
- The waiver of tuition also applies to any additional hours of registration by employees that keep them within the same fee assessment credit range. Employees whose total registration is in a higher range than that authorized by their tuition waiver pay only the difference between the waiver authorization and the higher range in which their total registration places them.
9. Nonacademic employees in a status, learner, trainee, apprentice, or provisional appointment may enroll without payment of tuition in regular courses directly related to their University employment for not more than 10 credit hours per semester, provided they have made application and received prior approval for enrollment as required by procedures issued by the director of nonacademic personnel and set forth in *Policy and Rules—Nonacademic*.
 10. Illinois Teacher of the Year recipients

- 11 Eligible Illinois senior citizens ¹

Nonresident Portion of Tuition

The nonresident portion of tuition (if subject to payment of tuition) is waived or exempted for

1. Staff members on appointment for at least 25 percent of full-time services with the University and with certain specifically identified related agencies provided the appointment requires service for not less than three-fourths of the term
2. The faculties of state-supported institutions of higher education in Illinois holding appointments of at least one-quarter time provided the appointment requires service for not less than three-fourths of the term
3. The teaching and professional staff in the private and public elementary and secondary schools in Illinois, such as counselors, school psychologists, school social workers, librarians and administrators who hold such an appointment at least one-quarter time and for not less than three-fourths of the term
4. The spouses and dependent children of all staff members on appointment with the University and certain specifically identified related agencies for at least 25 percent full-time service and of those listed in the second item above. (Dependent children are those who qualify as dependents for federal income tax purposes.)
5. The spouses and dependent children of fellows and trainees who are employed as teaching assistants to the fullest extent permitted by their fellowship appointment
6. Persons actively serving in one of the armed forces of the United States who are stationed and present in the state of Illinois in connection with that service, and their spouses and dependent children, as long as the military person remains stationed, present, and living in Illinois

Service Fee

The service fee is waived or exempted for

1. Graduate teaching and research assistants of the University on appointment for at least 25 percent of full-time services for not less than three-fourths of the term if approved for a waiver by their sponsoring unit and no tuition and fees payments are billable to an outside agency
2. Holders of graduate tuition and fee waivers awarded by the Graduate College.
3. Students registered in absentia
4. Students registered in approved off-campus courses and study-abroad courses
5. Students registered as participants in the high school concurrent enrollment program are exempt from the service fee and thus will not have access to the benefits provided by this fee
6. Holders of grants or contracts from outside sponsors that provide payments to cover the total cost of instruction, if this fee is charged to the contract or grant funds
7. Cooperating teachers and administrators (see Waiver of Tuition above)
8. Academic staff members emeriti
9. Nonacademic employees as specified in the last two categories under Waiver of Tuition section above
10. Academic staff members (except graduate assistants) who qualify for tuition waivers. They will not have access to the benefits provided by this fee
11. Illinois Teacher of the Year recipients

Health Service and Student Insurance Fee

Students totally exempt from payment of the health insurance fee and the health service fee, and therefore not eligible for these benefits and services, are:

¹Persons desiring information and/or an applications for this waiver should contact the Office of Student Financial Aid, Fourth Floor, F.H. Turner Student Services Building, 610 E. John Street, Champaign, IL 61820. (217) 333-0100

1. Persons registered for doctoral thesis research in absentia
2. Persons registered in off-campus courses and study-abroad courses for zero credit. (If registered for more than zero credit they are required to pay the insurance fee)
3. University employees registered at the request of their department in zero-credit courses especially established to improve the work of the employee
4. Staff members who are registered as students and who are eligible for the mandatory State of Illinois Employees Insurance Program
5. Staff members of certain specifically identified related agencies who are eligible automatically to receive hospital-medical coverage as an employee benefit at the cost of the employing agency
6. Illinois Teacher of the Year recipients

Cooperating teachers and administrators, certain field supervisors, and students registered as participants in the high school concurrent enrollment program are exempt from payment of the health service fee. All other students enrolled on campus must pay the health service fee, unless they have a fellowship or grant that specifically pays for it.

Teaching and research assistants should note they are not entitled to a waiver of either the health service fee or the health insurance fee unless they also have a fellowship or a grant that specifically pays for those fees.

General Fee

Students exempt from payment of this fee and thus not eligible to partake of its benefits are

1. University of Illinois academic (except graduate assistants) and nonacademic staff members, and interinstitutional nonacademic staff members
2. Staff members of certain specifically identified related agencies
3. Students registered as participants in the official high school concurrent enrollment program
4. Students registered in absentia
5. Students registered in approved off-campus courses and study-abroad courses

Students exempt from the fee, but eligible to use its benefits are

1. Cooperating teachers and administrators, certain field supervisors, and UIC staff appointees
2. CIC Visiting Scholars
3. Concurrent Registrants (University of Illinois)
4. Illinois Teacher of the Year recipients

Teaching and research assistants should note they are not entitled to exemption from this fee and are liable for its payment unless they also have a fellowship or a grant that specifically pays for it.

Computer Fee

Students exempt from this fee and not eligible to use its benefits are

1. University of Illinois staff members and interinstitutional nonacademic staff members eligible for staff benefits
2. Staff members of certain specifically identified related agencies eligible for staff benefits
3. Students registered in approved off-campus courses and study-abroad courses
4. Students registered in absentia

Students exempt from this fee, but eligible to use its benefits are

1. CIC Visiting Scholars and concurrent University of Illinois registrants
2. Illinois Teacher of the Year recipients

Teaching and research assistants should note they are not entitled to exemption from this fee and are liable for its payment unless they also have a fellowship or grant that specifically pays for it.

THE FINAL EXAMINATION FOR A COURSE IS SCHEDULED ACCORDING TO THE FULL OR HALF HOUR ON MONDAY OR TUESDAY ON WHICH THE CLASS FIRST MEETS DURING A FULL ACADEMIC WEEK (MONDAY THROUGH SATURDAY) IN THE SEMESTER. For example, if a course meets at 9 00 a.m. on MWF, the examination must be given from 8 00 to 11 00 a.m. on Tuesday, December 13. The final examination for a course meeting regularly on TTh from 2 30 to 4 30 p.m. must be given from 1 30 to 4 30 p.m. on Monday, December 12.

In courses having a combination of lecture and discussion and/or laboratory periods, the first lecture hour of the week is considered the first contact of the week.

For courses not provided for in the examination schedule (those meeting for the first time on Wednesday or later), examinations are to be given within the established examination schedule at the discretion of the instructor and at a time to avoid conflicts. A conflict examination must be given if necessary. The instructor must call the department office to schedule the room for the examination.

All 300- and 400-level education courses meeting once a week must have final examinations on the same day and time as the classes regularly meet. The Office of Space Utilization will make room assignments for these courses.

1988 FALL SEMESTER NONCOMBINED FINAL EXAMINATION SCHEDULE

December 12 through December 17, 1988

Note: This schedule does not apply to courses in the Colleges of Law and Veterinary Medicine, which publish separate schedules. A combined-sections, final examination schedule for giving examinations to several sections of a course at the same time appears late in the semester in the *Daily Illini*. Detailed information governing final examinations is contained in the "Instructions for Giving Final Examinations" issued late each term by the Office of Admissions and Records and is available for inspection at all departmental offices.

All regulations governing final examinations will be applied in the context that, pursuant to Illinois law, individual student religious beliefs, observances, and practices will be reasonably accommodated if the student informs his or her instructor of the conflict within one week after being informed of the final examination schedule. Any student may appeal in writing an instructor's adverse decision to a request based on religious beliefs, observances, and practices; such appeal must be made to the dean of the student's college or to the director or dean of the student's school or institute (if such school or institute is organized as a separate unit). Before taking action, the dean or director should request that the instructor explain his or her denial in writing.

Requirement

Final examinations must be given during the scheduled final examination period for each course, except in a course which has a character that renders a final examination unnecessary or impracticable. The head or chairperson of the academic department in which the course is offered determines when a final examination is not required.

Time of Examinations

Instructors must give final examinations at the time specified in the published schedule unless a change is approved *in advance* by the vice-chancellor for academic affairs. Requests for change must be submitted through the executive officer of the department or school (if applicable) in which the course is offered and the dean of the appropriate college. Requests for changes should be made only in cases of legitimate need and not just for the convenience of students and instructors.

Requests for changes in the examination schedule will not be considered for approval unless the instructor (a) has polled the class to determine that an alternative date is desired by a majority of the class members, (b) also offers the examination at the regularly scheduled time if there are those who do not choose to take it at the alternate time, and (c) has contacted the Office of Space Utilization and has assurance that space is available in which to give the examination at an alternate time if approved. The Office of Space Utilization will not confirm space availability for early examinations until the twelfth week of the semester.

No final examination should be given during a "regular" class period unless this is deemed necessary by virtue of the course or the examination (e.g., a laboratory "practical" examination as one part of a final examination).

NOTE:

Undergraduate Students: Except as provided for requests based in religious beliefs, observances, and practices, only the dean of the student's college may approve temporary postponement of the final examination in individual cases of undergraduate students

Graduate Students: The student's instructor is authorized to approve requests for postponement of the final examination in individual cases of graduate students.

Place of Examinations

Examinations will be held in the room where the course meets for the first contact hour of the week except for combined-sections examinations, examinations for courses in which the instructor has requested additional space for the examination, or specially scheduled examinations. Instructors will announce any special or changed room assignments.

Take-Home Examinations

If take-home final examinations are assigned, they are to be submitted at the time and on the date of the regularly scheduled final examination. If instructors wish to depart from this practice, they must follow the procedure for changing the final examination schedule, as stated elsewhere in this section.

Length of Examinations

The maximum limit for undergraduate examinations shall be three hours, except by special arrangement in individual cases approved by the dean of the college concerned. At the discretion of the department, a shorter examination may be given

Conflicts

National actuarial examinations take priority over campus final examinations. Faculty members must offer "conflict" examinations to students scheduled to take national actuarial examinations and final examinations at the same time.

Noncombined final examinations take precedence over both combined-sections and conflict final examinations. Combined-sections final examinations take precedence over conflict final examinations. A detailed combined-sections and conflict final examination schedule, including regulations governing all conflicts, will be published by the Office of Admissions and Records late in the term.

Students Having More Than Two Examinations in Any 24-Hour Period

No student is required to take more than two final examinations that *begin* in any twenty-four hour period. This means that if a student takes a final examination at 8:00 a.m. and 1:30 p.m. on the same day, he or she cannot be required to take a final examination that same evening. However, the student could be required to take a final examination at 8:00 a.m. the next day. Similarly, a student having a final examination at 7:00 p.m. and then at 8:00 a.m. the next day cannot be required to take a final examination at 1:30 p.m. on the same day. Any student having more than two final examinations scheduled to begin in consecutive examination periods is entitled to rescheduling if he or she takes the following actions *no later than the last day of classes*:

1. The student must investigate whether a conflict examination is being held at another time for any of the examinations involved (note: instructional staff members are urged to announce any conflict final examinations by the last day of classes);
2. If a conflict examination has been scheduled for any of the courses, the student must take one or more of these conflict examinations;
3. If no conflict examinations have been scheduled, the student should contact the instructor of the course having the largest

number of students (*the contact must be made no later than the last day of classes*)—that instructor *must* provide a makeup examination

Discipline for Violations of Academic Integrity

The 1988-89 *Code on Campus Affairs and Regulations Applying to All Students* describes procedures to be followed in cases of alleged cheating on final examinations

STUDENT REGULATIONS

University regulations applying to students are published in the *Code on Campus Affairs and Regulations Applying to All Students*. Students are responsible for complying with the regulations of the University, their colleges, and the departments from which they take courses, and for fulfilling the requirements for a particular degree.

The *Code on Campus Affairs and Regulations Applying to All Students* is available in 177 Henry Administration Building; at the Campus Student Assistance Center, 110 Fred H. Turner Student Services Building; the ID Station in the Armory (during on-campus registration); and the Post-Registration Service Center in the Illini Union, Second Floor South.

Some student regulations are given below, but students are advised to refer to the complete regulations.

Emergency Short-Term and Intermediate Loans

In emergencies, UIUC students who have completed all steps in the registration process, including payment of tuition and fees, may be eligible to negotiate emergency short-term or intermediate loans. For information, students who are U.S. citizens should go to 130 Fred H. Turner Student Services Building; international students should go to 510 East Daniel Street, Champaign.

Number of Hours Required

Undergraduate students are required to pursue a normal program of studies which varies by college and curriculum. More or less than a normal program may be permitted only by authority of the dean of the college or his or her designated representative

For undergraduate, graduate, and professional students, the minimum program required for receipt of maximum educational benefit payments under the Veteran's Readjustment Benefits Act of 1966 and receipt of social security benefits as a dependent is 12 hours or 3 units in a semester (6 hours or 1/2 units in a eight-week summer session)

In most colleges, the minimum undergraduate program for Dean's List is 14 hours.

Classification of Students

The Registrar's Office uses only the following definitions in the classification of enrollment

Full-time Students:	Undergraduates	Graduate Students
Fall and Spring Semesters	12 or more hours	3 or more units
Summer Sessions	6 or more hours	1.5 or more units
Half-time Students:		
Fall and Spring Semesters	6 to 11.5 hours	1.5 to 2.75 units
Summer Sessions	3 to 5.5 hours	0.75 to 1.25 units
Class Level:		
Freshmen	0 to 29.9 hours	
Sophomores	30 to 59.9 hours	
Juniors	60 to 89.9 hours	
Seniors	90 hours and above	

Graduate students are certified as advancing one year of study if they were registered in two semesters. Graduate students on a consecutive summer-session-only pattern are advanced one year after completion of three eight-week summer sessions. A graduate

student may not be certified as having advanced one year more than once within a twelve-month period

Repeated Undergraduate Courses

If a student is permitted by the dean of his or her college to repeat a subject for which the student has received credit either by class work at the University or by advanced standing previously allowed for work done elsewhere, he or she forfeits the original credit. The original credit earned in a course is not forfeited by registration unless the student remains registered in the repeated course to the end of the semester, term, or summer session.

Failure to pass the repeated course does not restore the original credit, but both grades count in the graduation average if the course is one regularly acceptable toward the student's degree. If the course is again repeated, all grades received, passed or failed, are counted in the graduation average.

Credit-No Credit Grades

The credit-no credit grading option at this campus is designed to encourage student exploration into areas of academic interest which they might otherwise avoid for fear of poor grades. All students considering this option are cautioned that many graduate and professional schools consider applicants whose transcripts bear a significant number of nongrade symbols less favorably than those whose transcripts contain none or very few. Likewise, in computing a preadmission grade-point average, some schools may convert the NC symbol to a failing grade since they do not know whether the actual grade was a D, E, or Ab.

ALL STUDENTS

- Credit-no credit courses are not counted toward the grade-point average but are included as part of the total credit hours.
- Instructors are not informed of those students in their classes who are taking work under the credit-no credit option, and they report the usual letter grades at the end of the course. These grades are automatically converted to CR or NC.
- Grades of C or better are required in order to earn credit.
- Final grades of CR or NC (for credit or no credit) are recorded on the student's permanent academic record and subsequently will not be changed to letter grades.
- Correspondence course students may elect the credit-no credit option prior to completion of one-eighth of the lessons contained in the course, however, should they desire to return to a letter grade, an amended credit-no credit form must be filed prior to completion of one-half of the lessons.
- Courses taken under the credit-no credit option, either in residence or in correspondence, may be dropped only in accordance with the normal procedures for dropping courses.

UNDERGRADUATE STUDENTS

- Any undergraduate student in good academic standing (not on probation) may elect the credit-no credit system. Students not in residence, but enrolling in correspondence courses, may elect the credit-no credit option provided they are in good academic standing.
- To elect the credit-no credit option, students must obtain the approval of their adviser or, in the case of a correspondence course, their adviser or college office.
- Students who go on probation after enrolling must change their program to eliminate the credit-no credit option.
- A maximum of 18 semester hours earned under the credit-no credit option may be applied toward a degree at the Urbana-Champaign campus of the University. A correspondence course taken on a credit-no credit basis will be included in the 18-semester-hour maximum credit-no credit limit allowed. A full-time student may take a maximum of two courses each semester under the credit-no credit option. Part-time students may take one course each semester under this option.
- Any lower- or upper-division course may be chosen under the credit-no credit option except courses used to satisfy the University's general education requirements, courses designated by name or area by the major department for satisfying the major or field of concentration, or those specifically required by name by the college for graduation.

city's general education requirements, courses designated by name or area by the major department for satisfying the major or field of concentration, or those specifically required by name by the college for graduation.

- In cases of subsequent change of major or field of concentration, courses previously taken under the credit-no credit option in the new field may qualify for meeting major requirements.
- Undergraduate students must exercise the credit-no credit option for a course taken in residence during on-campus registration, within the first eight weeks of instruction in a semester, during the first four weeks of an eight-week course taught in a fall or spring semester. Students may elect to return to the regular grade option by filing an amended request within the first eight weeks of instruction in a semester, within the first four weeks of instruction in an eight-week course taught during a semester. The credit-no credit option form must be properly approved and deposited in the college office.

Consult the fall semester calendar for the deadline dates.

PROFESSIONAL STUDENTS

- Students in the Colleges of Law and Veterinary Medicine, under the credit-no credit option, may elect undergraduate courses not required as part of the professional curriculum.
- Professional students may elect the credit-no credit option during advance enrollment, during on-campus registration, within the first eight weeks of a semester or within the first four weeks of an eight-week course taught in a fall or spring semester. Students may elect to return to the regular grade basis by filing an amended request within the first eight weeks of instruction in a semester or within the first four weeks of instruction in an eight-week course taught during a semester. The credit-no credit option form must be properly approved and deposited in the college office.

GRADUATE STUDENTS

- Graduate students may elect the credit-no credit option during advance enrollment, during on-campus registration, or through the last day allowed for dropping a course without academic penalty. Students may elect to return to the regular grade basis by filing an amended request by the deadline date for dropping a course without academic penalty as indicated in the Graduate College calendar. The credit-no credit option form must be properly approved and deposited in the college office.
- The student's adviser must approve the election of this option in accordance with the policy established by the major department.
- At least 2 units of credit with grades A through D must be earned on this campus for every unit of credit earned under the credit-no credit option.

Identification Cards

New students are issued a permanent photo identification card which is validated for every subsequent term in which they register. This ID card must be retained by them while they are registered at the University. Validation labels are included on the Registration Statement of Charges and Aid of all students and must be placed on the back of their ID card. The validation label is nontransferable and contains information about insurance and health services entitlement. The ID card is issued by the Office of Admissions and Records and remains the property of the University. Students who alter or intentionally mutilate a University ID card, who use the ID card of another, or allow their ID card to be used by another may be subject to discipline.

The University ID card must be presented for identification purposes at the request of an agent of the University when the agent is acting in the performance of her or his supervisory or security function (for example: examination proctor, University Police, residence hall director or adviser, gymnasium supervisor, ticket takers, or ushers). Any student refusing to provide the University ID card when requested by an agent of the University may be subject to discipline.

An ID card may be confiscated by an agent of the University when acting in the performance of his or her duties if:

The ID card is in the possession of an individual other than the one to whom the card was issued and that individual attempts to use the card to represent himself or herself as a duly registered student

The ID card is presented by the individual to whom it was issued but is not valid for the term of the registration at the time and the individual attempts to represent himself or herself as a duly registered student.

Exceptions: At the beginning of a term, a student is allowed to use an outdated ID card during the first two weeks of class. In such cases a copy of the student's schedule or receipt from the Registration Agreement may be required in addition to the ID card.

Replacement ID cards can be obtained at the Registration Services Office, Window 27, 100 Henry Administration Building. A charge of \$17 is assessed to replace each lost, mutilated, confiscated, or stolen ID card. A charge of \$1 is made for replacing each lost, mutilated, confiscated, or stolen ID validation label.

An identification card for student spouses may be obtained without cost at Window 27, 100 Henry Administration Building

Falsification of Documents

Any student who, for purposes of fraud or misrepresentation, falsifies, forges, defaces, alters, or mutilates in any manner any official University document or representation thereof may be subject to discipline. Some examples of official documents are identification cards, program requests, receipts, transcripts of credits, library documents, petitions for reclassification of residency status, etc.

Any applicant who withholds information pertinent to the admissions decision or gives false information while making application for admission or readmission to the University of Illinois at Urbana-Champaign will be declared ineligible for admission to the University. In cases discovered after admission has occurred but prior to initial registration, the admission will be cancelled. If the falsification led to admission which would not have been granted based on the person's academic record, students enrolled will have their registrations cancelled. The appropriate action will be invoked by the director of admissions and records and the dean of the college involved. Cases where admission or registration cancellation is contested in writing by the applicant or student within ten working days after notification will be reviewed by the vice-chancellor for academic affairs or his or her designee. If, however, the person would have been admissible based on his or her true record, the registered student will be referred for possible disciplinary action, including dismissal, to the Senate Committee on Student Discipline.

Any student who knowingly withholds information or gives false information in any document or material submitted to any member or agent of the University may be subject to discipline.

Withdrawal from the University

Students who leave the University during any semester, term, or summer session must officially withdraw from the University by filing a clearance paper. Otherwise the courses they are pursuing will appear on their record as Ab (absent—counts as failure). Students enrolled in only one course who later drop that course must officially withdraw from the University.

Upon notification that the University discipline system has initiated action against a student, that student may not officially withdraw until the hearing of the case has been conducted by the appropriate disciplinary committee. Students begin the clearance procedure at their college office.

Undergraduate students who withdraw from the University within the last three weeks of instruction in a semester, or those whose status cannot be determined because of excused grades, may register again only on petition approved by the dean of their college. (See the Academic Calendar for the date.)

Transcripts of Courses and Grades

A student in debt to the University is not entitled to receive a diploma or an official statement or transcript of credits until the indebtedness has been paid or suitable arrangements for payment have been made, unless the student either has pending a bankruptcy petition

seeking a discharge of all such indebtedness, or such indebtedness has been discharged.

Students who graduate or withdraw from the University and have outstanding loans from the University of Illinois will not be issued a transcript until they have completed an exit interview with the Office of Business Affairs, 162 Henry Administration Building.

A \$2 fee is charged for each copy of an official transcript. A \$1 fee is charged for each certification of enrollment. The charge for same-day service is \$5 for the first transcript or certification with the regular fee applying to extra copies ordered at the same time; all same-day service requests must be ordered in person. Transcripts may not be ordered by telephone. They may be ordered at the Registration Services Office, Window 27, 100 Henry Administration Building, or by mail addressed to the Transcript Department, University of Illinois at Urbana-Champaign, 10 Henry Administration Building, 506 South Wright Street, Urbana, Illinois 61801. A check or money order made payable to the University of Illinois should accompany the order.

Under ordinary circumstances, transcripts will not be released during the period of final examinations and two weeks thereafter to allow for the recording of final grades for the term.

Student Records Policy

It is University policy to comply fully with the Family Educational Rights and Privacy Act of 1974 as amended. Guidelines and regulations for discharge of the University's obligation under this act are contained in the *Code on Campus Affairs and Regulations Applying to All Students*.

Under these guidelines

- Students have the right to inspect their education record.
- The University may release without the student's consent information which appears in student directories and publications which are available to the public except when requested by a currently enrolled student to suppress this information until the first day of classes of the following semester. Directory information includes the student's name; addresses; telephone numbers; college, curriculum, and major field of study; class level; date of birth; dates of attendance and full- or part-time status; eligibility for membership in registered University honoraries; degrees, honors, and certificates received or anticipated; weight and height if she or he is an athletic team member; participation in officially recognized activities and sports; and institutions previously attended. Forms for suppressing this information are available at Station 1A in the Armory during on-campus registration and at the Post-Registration Service Center in the Illini Union. They must be completed either at on-campus registration or within the first five days of instruction in a semester.
- Certain student records may be released only with the prior consent of the student.
- Certain student records can be released with or without the student's consent.
- Under certain conditions, parents may be granted access to a student's record with or without the student's consent.
- Procedures exist for students to challenge the contents of their educational record.

Addresses of Students

Each student is responsible for maintaining in the Office of Admissions and Records the current addresses of the following

- His or her local address (for local mailings)
- His or her permanent address or permanent mailing address
- The address of his or her parent(s), guardian, or spouse

Each address must be reported each term. All changes must be reported immediately to the Registration Services Office, Window 27, 100 Henry Administration Building.

STUDENT/CONSUMER INFORMATION

The University of Illinois at Urbana-Champaign has student/consumer information available at the following campus locations

- Admissions—Office of Admissions and Records, 177 Henry Administration Building, 333-0302, or individual college offices.
- Financial aid—Office of Student Financial Aid, Fourth Floor, Fred H. Turner Student Services Building, 333-0100
- Housing—Student Assistance Center, 110 Fred H. Turner Student Services Building, 333-0050
- Other information—Student Assistance Center, 110 Fred H. Turner Student Services Building, 333-0050

LISTING OF COURSES

The following *Timetable* of courses offered by the University is subject to whatever changes may prove necessary at registration time. Notices of all changes in time or place of meeting of classes will be supplied to advisers for checking program request materials during registration.

Arrangement

The arrangement of subjects in this *Timetable* is alphabetical. The courses offered in each subject are listed numerically with headings to indicate the students for whom they are designed. Courses for undergraduates (designed for freshmen and sophomores) are numbered 100 to 199; for advanced undergraduates (designed for juniors and seniors), 200 to 299, for advanced undergraduates and graduates (junior, senior, or graduate standing required), 300 to 399, for graduates, 400 and above. Following the title of each course is a statement of the requirements, if any, for admission to the course.

Class Periods

Class periods for each course are indicated by numerals for the hours of the day and by letters for the days of the week. For example, "8-10 MWF" indicates that the class period begins at 8:00 a.m. and continues for approximately two hours on Monday, Wednesday, and Friday; "11 TTS" means that the class period begins at 11:00 a.m. and continues for fifty minutes on Tuesday, Thursday, and Saturday. Any class beginning after 6:00 p.m. is indicated by the letters PM. For example, "730-930PM" indicates that the class period begins at 7:30 p.m. and continues until approximately 9:30 p.m.

Class Locations

The place of meeting of each class is shown by the number of the room and the name of the building. A listing of the building abbreviations may be found on page 24.

Students should be aware of two new building designations in the course offering section of the *Timetable*.

EVERITT = Everitt Laboratory of Electrical and Computer Engineering, 1406 West Green Street.

HENRY BLD = Henry Administration Building, 506 South Wright Street.

Credit

Credit for undergraduate students is counted in semester hours. An hour is one class period a week for one semester or the equivalent in laboratory or field work or approved independent study. The number of hours for which each course counts is shown under each course.

Credit for graduate students is counted in units. A unit course requires ten hours of time each week through the semester, irrespective of the distribution of that time in class work, laboratory or field work, and private study. Four such courses or their equivalent constitute a student's normal program for one semester. The unit values of graduate courses are indicated under each of these courses. No course may be taken for graduate credit unless it is so designated in this *Timetable* of courses offered. In general, 1 graduate unit is the equivalent of 4 semesters hours of undergraduate credit.

Some courses have variable credit, such as 3 to 5 hours or 1/2 to 2 units, and in registering for a course with variable credit each student puts on his or her Program Request Form the number of hours or units for which he or she intends to take the course.

A course may not be taken for zero credit unless such credit is specifically authorized in the *Timetable*.

Approval of the Graduate College must be obtained for the registration of undergraduate students in 400-level courses for either semester hour or unit credit, or in 300-level courses for unit credit.

The University of Illinois at Urbana-Champaign does not necessarily endorse, recommend, and/or approve the products and services advertised in this publication. Endorsement, recommendation, and/or approval should not be inferred.

The commitment of the University to the most fundamental principles of academic freedom, equality of opportunity, and human dignity requires that decisions involving students and employees be based on individual merit and be free from invidious discrimination in all its forms, whether or not specifically prohibited by law.

The policy of the University of Illinois is to comply with all federal and state nondiscrimination, equal opportunity, and affirmative action laws, orders, and regulations. The University of Illinois will not discriminate against any person because of race, color, religion, sex, national origin, ancestry, age, marital status, handicap, unfavorable discharge from the military, or status as a disabled veteran or a veteran of the Vietnam era. This nondiscrimination policy applies to admissions, employment, and access to and treatment in University programs and activities.

Among the forms of invidious discrimination prohibited by University policy but not law is sexual orientation. Complaints of invidious discrimination based solely upon policy are to be resolved within existing University procedures.

For additional information on the equal opportunity and affirmative action policies of the University, please contact on the Urbana-Champaign campus: William A. Savage, Assistant Chancellor and Director of Affirmative Action, Swanlund Administration Building, 601 East John Street, Champaign, Illinois 61820 (217/333-0574)

ASK ABOUT THE CAMPUS TRANSPORTATION PLAN

Soon you will be hearing about a University of Illinois Campus Transportation Plan. The purpose of the plan is to make transportation to and through the University, as well as the entire Champaign-Urbana community, as easy as showing a student ID. You will soon be given a chance to give the U of I what it has needed for years - MOBILITY.

For more information, talk to MTD representative members of the SGA Ad Hoc Transportation Committee.

You will be hearing more very soon. **For information - 384-8188.**

NSA's Diversity Translates Into Rewarding Language Careers

Many language specialists expect to spend their career translating. But you need not limit yourself to that. At the National Security Agency, we urge our linguists to use all of their skills.

NSA language professionals work on a variety of assignments ranging from language analysis to teaching and research.

NSA uses literally hundreds of languages. (Currently, we have an interest in specialists in Slavic, Middle Eastern and Asian languages.)

NSA offers you additional language training. You should be proficient in a foreign language, but fluency isn't required.

NSA linguists make a critical contribution to our missions. The work lets you use both your language skills and your knowledge of world events.

NSA offers tuition reimbursement for advanced studies, plus "language immersion" away from the agency in certain instances.

NSA allows you to advance as a linguist or to diversify into research or management.

NSA offers a competitive salary and a comprehensive benefits package, in addition to the attractive lifestyle of the Baltimore-Washington area.

When you consider these facts, we think you'll agree with one more—NSA has opportunities for linguists that no one else can offer.

To apply, send your resume or SF-171 to:

NSA's Diversity Translates Into Rewarding Language Careers

Many language specialists expect to spend their career translating. But you need not limit yourself to that. At the National Security Agency, we urge our linguists to use all of their skills.

NSA language professionals work on a variety of assignments ranging from language analysis to teaching and research.

NSA uses literally hundreds of languages. (Currently, we have an interest in specialists in Slavic, Middle Eastern and Asian languages.)

NSA offers you additional language training. You should be proficient in a foreign language, but fluency isn't required.

NSA linguists make a critical contribution to our missions. The work lets you use both your language skills and your knowledge of world events.

NSA offers tuition reimbursement for advanced studies, plus "language immersion" away from the agency in certain instances.

NSA allows you to advance as a linguist or to diversify into research or management.

Don't compete with a Kaplan student— be one.

Why? Consider this: More students increase their scores after taking a Kaplan prep course than after taking anything else.

Why? Kaplan's test-taking techniques and educational programs have 50 years of experience behind them. We know students. And we know what helps boost their confidence and scoring potential.

So if you need preparation for the: LSAT, GMAT, MCAT, GRE, DAT, ADVANCED MEDICAL BOARDS, TOEFL, NURSING BOARDS, NTE, CPA, INTRO. TO LAW, SPEED READING, or others, call us.

Why be at a disadvantage?

CHEM 101 General Chemistry. Lecture And Laboratory.
 Prerequisite: Credit in OR EXEMPTION FROM MATH 111 OR 112, ONE YEAR OF HIGH SCHOOL CHEMISTRY OR EQUIVALENT, PLACEMENT INTO 101 BY THE CHEMISTRY PLACEMENT TEST RECOMMENDED
 FOR STUDENTS WHO HAVE SOME PRIOR KNOWLEDGE OF CHEMISTRY
 *STUDENTS MAY NOT RECEIVE CREDIT FOR BOTH CHEMISTRY 101 AND CHEMISTRY 107 AND 109
 *4 HOURS

TWO INSTRUCTIONAL FORMATS ARE OFFERED: THE X AND Z SECTIONS INVOLVE A LECTURE, QUIZ AND LAB. SECTIONS 111-189 INVOLVE A LECT-DISC AND LAB
 *SECTION 742 RESTRICTED TO UNIT ONE RESIDENTS ONLY

You have a problem... We have the answer...

SUPER FRIG

Does the thought of facing studying without any cold drinks upset you? (It should. It gave us a case of the screaming heebie jeebies). We can help. We offer you a very specialized method for maintaining your comfort here at school.

Don't leave your room.

Rent a mini-frig, pile your stuff in it, and stay put. Keep cool drinks and fresh food in your room, where you can enjoy them the most.

All in all, quite simple. Take advantage of the best prices around while we are still offering them.

We're University Rental Service. We have the answer.

COLLEGE JUST GOT EASIER!

Introducing the *How to Succeed in College* series, four great tape-and-text courses that will help you master the academic life by working smarter, not harder.

Each course includes a 32-page text and a 60-minute tape so you can learn at your leisure—while biking, exercising or relaxing.

This course is simply excellent. I wish I'd had it as a Freshman!

THE HOW TO SUCCEED IN COLLEGE SERIES

Section 1: Studying
Section 2: Term Papers
Section 3: Exams
Section 4: Speed Reading

Save \$11.79. Get the whole series in one package: all four tapes and a 160-page book for only \$29.95.

☐ **YES!**

Please rush me the course(s) I've checked

below. I've enclosed my check or money order payable to SUCCEED IN COLLEGE, for the full amount shown. If I am not completely satisfied, I can return the course within 10 days for a full refund.

WE ALWAYS NEED LEADERS

The Air Force is looking for
pilots ... navigators ...
missileers ... engineers ...
managers and ... more. Our posi-
tions are important. You can get one
through Air Force ROTC.

As an Air Force ROTC cadet, you'll be trained in leadership and management practices. You may also apply for our scholarship program that helps pay college expenses, plus \$100 per academic month, tax free.

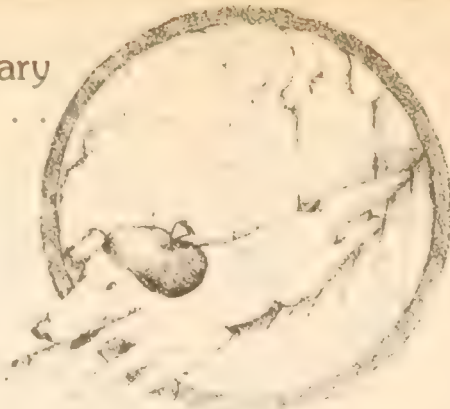

After graduation, you'll have all the prestige and responsibility of an Air Force officer. You'll discover a new world where you'll be challenged to excel ... and rewarded for your success. Let us give you the details today.

GAPS gives you the knowledge, confidence and the competitive edge you need to succeed on critical exams.

SCORE HIGH

Thousands of bright, otherwise eligible students are unfairly penalized every year for being underprepared, for not knowing critical test-taking skills or for freezing up during the actual exam, thus concealing their true "aptitude." You can overcome these problems if you know what kind of questions to expect, have learned proven test-taking strategies, and have practiced under simulated test conditions.

GAPS puts the proven learning techniques from the classroom into a convenient, study-at-home format.

NOTE: The number of cassettes and pages of text may vary slightly according to current exam content. Remember, these tests are changed frequently... and, unlike other courses, the GAPS program is constantly updated to change with them.

100% MONEY-BACK GUARANTEE

The Graduate Admissions Preparation Service gives you the most risk-free guarantee available. **You must be completely satisfied** with your GAPS exam preparation course — from its content to its format — or we'll refund your money. Just return the course within 10 days of receipt for a full refund. No questions asked.

THE ARMY RESERVE'S GI BILL CAN MAKE YOU A PART-TIME SOLDIER AND A FULL-TIME STUDENT.

A part-time job in the Army Reserve is a smart way to work your way through college. Because the Army Reserve has its own GI Bill, and if you qualify, you can receive up to \$5,040 for college, while you attend college.

But the GI Bill isn't the only valuable thing about being an Army Reservist. You'll also be paid for training in one of over 300 skills.

In addition, you'll earn at least \$1,870 a year for serving two days a month (usually on weekends) at your local Army Reserve Center, and attending two weeks of

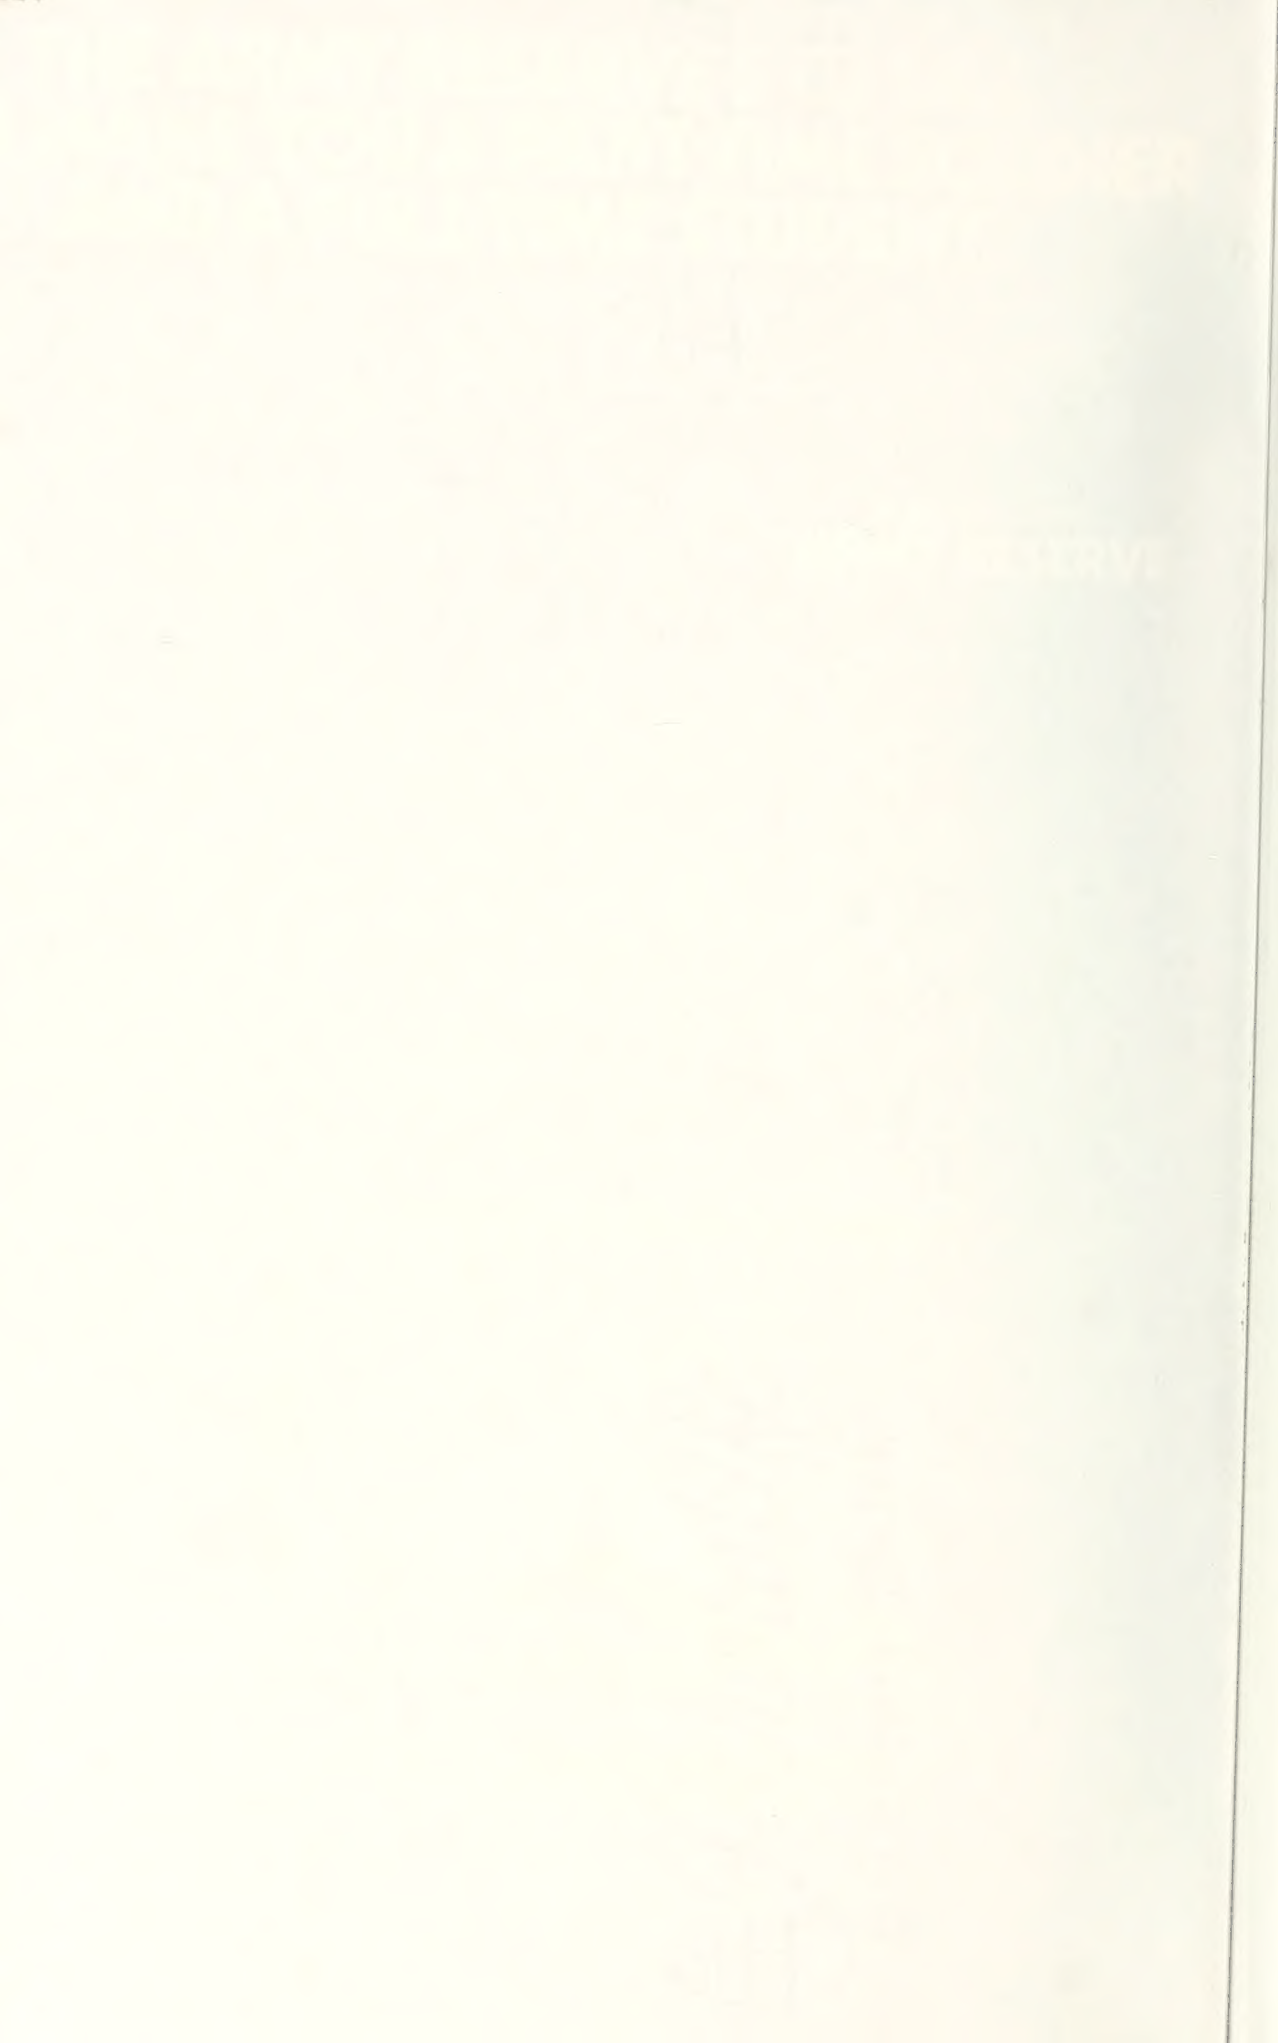

annual training. And if you take out a student loan, you may qualify for a program that can help you repay it.

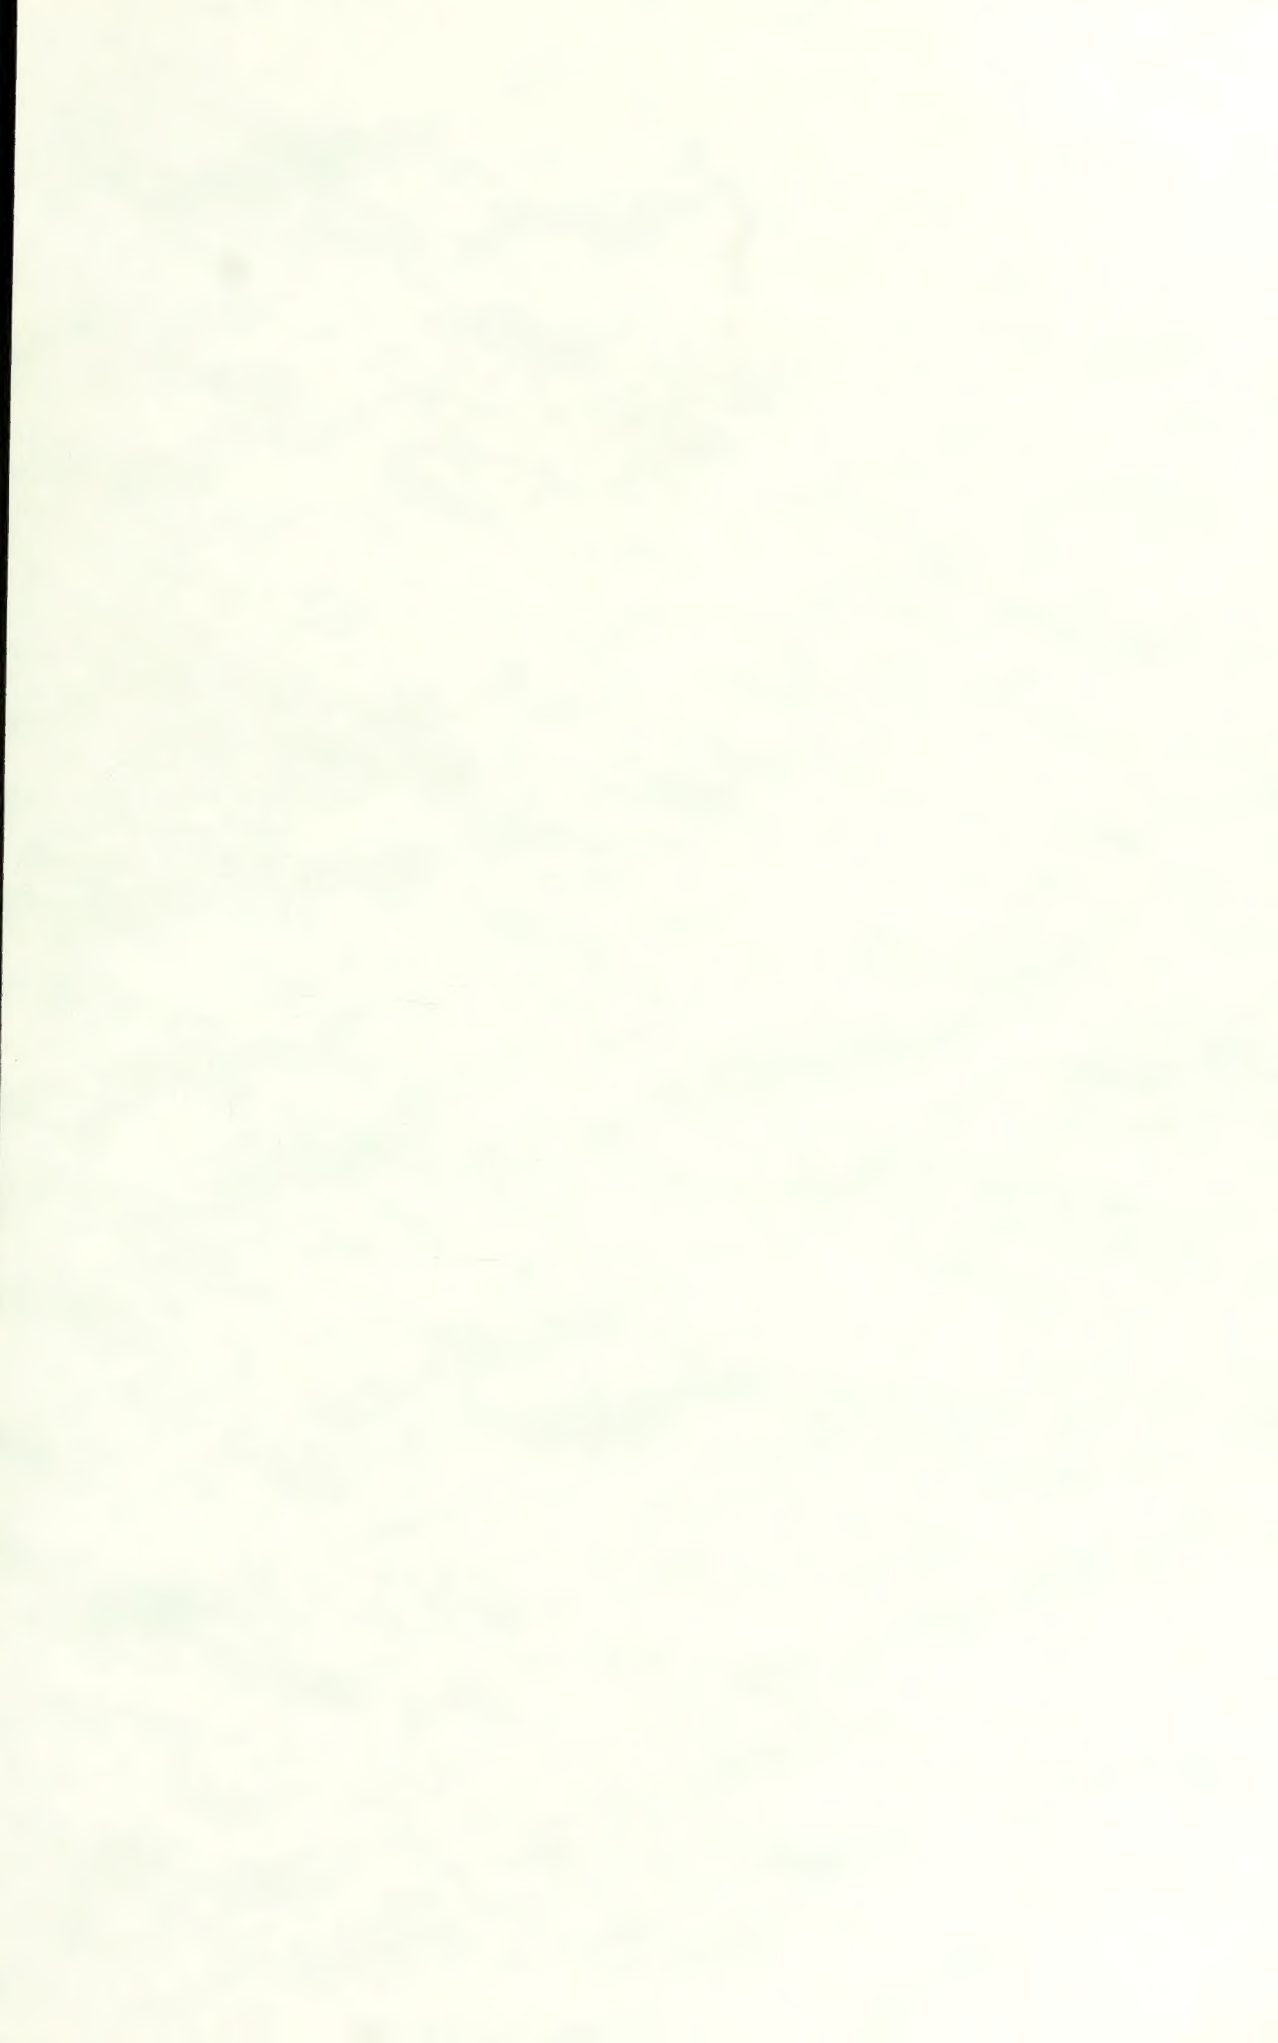

With the GI Bill to help with tuition, and your monthly Army Reserve salary to help with other expenses, you could earn over \$16,000 for college in one enlistment.

If you'd like to know more about taking the Army Reserve's GI Bill to college **BE ALL YOU CAN BE.** with you, call toll-free **ARMY RESERVE** 1-800-USA-ARMY.
